

**SuperGuy Series "DRIVEN"**

Episode 7: Razor's Edge

EXT. SKY DAY

An ALARM sounds from SG's com-link.

SG  
(pressing ear piece)  
Who is it? Why won't you tell me?

DEREK  
(on com-link)  
There's no time for questions. I  
just sent you the coordinates. You  
are going to need the element of...

INT. CABIN IN THE WOODS

SG Bursts into the main room. A pale, scrawny man in his forties ducks to the ground.

SG  
Surprise!

SG moves lightning fast and ties the man into chair.

SG (CONT'D)  
A cabin in the woods? How cliché'.

SG opens the closed door. His eyes pop seeing the victim.

JACKIE  
That thing finally worked?

SG stands frozen.

JACKIE (CONT'D)  
Well are you going to help me? You  
can't possibly be star struck.

SG  
Just... surprised. I had no idea...

JACKIE  
(looking into SG's eyes)  
Who you were saving? Does it make  
any difference?

SG  
(locking eyes)  
Not usually...I mean. No.

A LOUD CRASH from the other room. The chair hits the floor.

MAN IN CHAIR

(yelling)

Don't you touch her. Stay out of this.

SG whips around to enter the other room.

JACKIE

Don't hurt him! He's my father!

SG stops himself using his hands in the doorway. The frame busts off.

JACKIE (CONT'D)

Just...get me out of here. Take me home. Please. Just untie him and let's go.

SG

Seriously? After everything he's--

A distant BOOM and then the window shatters. SG falls to the side. He rises holding his chest. A large caliber bullet falls to the ground. Another much louder shot fires. SuperGuy dodges the bullet. It tears a hole through the far wall.

JACKIE

The next one's gonna be a canon.

SG grabs Jackie and carries her to the side. Several tiny pops now sound off. Huh? SG turns to see Jackie's dad firing a riffle through the window. An embankment of snow shields the Bald Guy who was in the club.

BALD GUY

Really? Is that like a 22?

SG

(yelling)

I'm still here.

BALD GUY

I don't want you dead. You're my bread and butter. All you have to do is bleed a little. We have a serious relationship ahead of us.

POP. POP. POP. Dad fires his rifle.

BALD GUY (CONT'D)

That's funny. Until someone loses an eye. Put the pea shooter away.

JACKIE'S DAD

Thou shalt not take refuge behind a  
Propane tank. You're going...

The Bald Guy's eyes bulge as he quickly wipes some snow off  
of the embankment. Pop goes the gun...and the weasel. BOOM! A  
large fireball explodes into the sky.

JACKIE'S DAD (CONT'D)

...straight to hell.

Jackie's dad turns around to see SG and Jackie clenching each  
other in surprised horror. SG moves Jackie.

JACKIE'S DAD (CONT'D)

I wouldn't harm her. She's my  
daughter.

SG

But you would kidnap her.

JACKIE'S DAD

Thou shalt honor thy father and thy  
mother.

SG

Why is there no "thou shalt honor  
your children?" It's messed up.

JACKIE

Let's just get out of here.

SG

But we should call...

JACKIE

The publicity would be unbearable  
for me and my family. I know you  
understand what that's like.

SG

A man died here. We can't just...

JACKIE

Scores of people are safer now. If  
my father and God want to explain  
it, then let them. Let's see how  
they handle "thou shalt not lie."

JACKIE'S DAD

It's "Thou shalt not bear false  
witness against your neighbor."

SG AND JACKIE

Shut up!

INT. SG SECRET LAIR CLUBHOUSE - LATER

DEREK

He hacked into me! You believe it?

SG

I think we need better security.

The leaves on the tree rustle and the ladder creaks.

DEREK

Someone is coming! Do something!

The wooden door swings open revealing Jackie.

DEREK (CONT'D)

You told her about our secret lair?  
This is our club house! No...girls.  
Nobody. What were you thinking?

JACKIE

So you're Derek! You saved my life!

Jackie bear hugs Derek and plants a kiss on his forehead.

DEREK

Yeah. Right. That's good thinkin'.

SG

Our main man Friday!

DEREK

You called me Friday!

SG

Group hug!

SuperGuy grabs Derek and Jackie and pulls them both in.

DEREK

This is soooooo gay!

SG

No. Derek. It isn't. ... This is.

SuperGuy smacks Derek on the ass and gives it a squeeze.
